NATIONAL POLYTECHNIC OF AUSTRALIA

At **National Polytechnic of Australia (NPA)**, our unwavering commitment is to empower international students to reach their fullest potential by providing nationally recognised Australian qualifications. Guided by our uplifting motto, **“Dream it, Live it, Love it,”** we are committed to delivering practical and hands-on training that equips our students for success. Our ultimate goal is to foster a culture of educational excellence, offering outstanding opportunities that empower our students to create a brighter future.

With a wide range of programs available, including Early Childhood, Graduate Studies, Hospitality, Business, Automotive, and Information Technology, NPA caters to the diverse needs of our students. Our world-class facility located in the Sydney CBD offers a multicultural environment with strong community bonds, creating a unique and energetic atmosphere. Studying in the CBD region provides easy access to all the vibrant city has to offer, allowing students to fully embrace an exciting, fast-paced city lifestyle where new opportunities and connections are always within reach.

Supported by highly experienced trainers, a comprehensive curriculum, and state-of-the-art infrastructure, NPA is fully dedicated to delivering unparalleled vocational education. We take great pride in creating a learning environment that nurtures personal growth and transforms dreams into reality!

Nationally Recognised Training

At NPA, we are proudly registered with the Australian Skills Quality Authority (ASQA). We deliver nationally recognised Australian qualifications that are accredited with ASQA and governed under the Vocational Education and Training (VET) Quality Framework. This guarantees that the qualifications you earn from us are widely recognised by industry organisations and other education providers throughout Australia and worldwide.

STUDENT EQUIPMENT REQUIRED

Students MUST have the following IT equipment prior to enrolling with the College and will require a suitable study space for self-study, assessment activities, or participation in online classes.

HARDWARE REQUIREMENTS:

1. Desktop or laptop with the following recommended System Requirements:
 - i. Windows 7 (2009) or higher
 - ii. Apple Macintosh OS X version 10.6 (Snow Leopard) or higher
2. A webcam, e.g., built-in to a laptop or a USB webcam.
3. Audio input and output suitable for video conferencing or online classes.
4. A headset or earbuds with a microphone is recommended. Speakers and a microphone can be acceptable but need to be tested to check they do not introduce echo into a video conference or online classes.
5. Photo/scan - a camera, e.g., on a mobile phone, can be required to scan and submit handwritten materials.

SOFTWARE REQUIREMENTS:

1. A web browser such as Internet Explorer, Firefox, Google Chrome, or Safari (Please note that Apple users will be required to install Google Chrome in order to use Microsoft Teams) that will allow students to:
 - i. Stream videos from YouTube-style sites (a student must be aware of their internet usage limits and costs);
 - ii. Run word processing software such as Microsoft Teams, Word and PowerPoint;
 - iii. Participate in virtual classrooms or online live streaming webinars (e.g., Microsoft Teams or Zoom) for classes delivered online or via live-streaming webinar.
2. The College will provide students with access to Microsoft Office 365 software (i.e., Microsoft Teams, Word, Excel, and PowerPoint), however:
 - i. Students may require administration rights to their computer in order to install additional software.
 - ii. Students are strongly advised to install a suitable anti-virus program to protect their work.

INTERNET REQUIREMENTS:

1. A reliable, high-speed broadband internet connection with sufficient upload and download capacity. A Wi-Fi or mobile connection can be acceptable if it is adequately stable to perform well in a video conference or online classes.
2. Students will have access to the College's wireless connection whilst on campus.
3. Community internet and computer access:
 - i. In Australia, public libraries offer free access to computers and the internet, although students may require a membership card or be required to pay a small charge. Students may need to book ahead if they wish to use library services. Students will also have access to printing and photocopying services on a pay per page basis. Most libraries also provide wireless hotspots and recharging stations at no cost for students using their own devices.

OTHER INFORMATION:

The College encourages students to acquire the following skills and knowledge related to operating and maintaining an efficient online study environment. Students must:

1. Know how to install, use, and keep their computer's internet browser and other software up to date (e.g. installing security updates);
2. Be proficient in connecting their laptop and/or mobile device to wireless networks either at the College's campus, your local library, or other locations;
3. Have the ability to use a web camera and headset/microphone;
4. Know how to use cloud storage (e.g. through Office 365 OneDrive); and
5. Have the ability to use Microsoft Word and other related software packages.

ONLINE STUDY

At the commencement of each course, common units may be initially conducted online to provide students time to adapt to their new study program.

Please note from 1st July 2023, students will be required to return to campus for face-to-face classes as per the National Code 2018 and the ELICOS Standards 2018. One-third of the units of a course can be delivered online. Please check your timetable.
