

# HOBART | SYDNEY | MELBOURNE

At Reach Community College, we offer a diverse range of nationally recognised courses designed to meet the needs of students seeking to pursue Accounting, Leadership & Management, Civil Construction Design, Information Technology, Commercial Cookery, Hospitality Management, Individual Support, Disability, Community Sector Management, Automotive Electrical, and more.

With three modern campuses in Hobart, Sydney, and Melbourne, Reach Community College offers a dynamic study environment suitable for students with varying needs.

Our Hobart campus is conveniently located in the city's central business district. The beautiful regional city of Hobart offers an exciting blend of culture, heritage, and scenery, with mountain trails and stunning coastal views.

Our Sydney campus is situated in the heart of the southern central business district, known for iconic landmarks such as the Sydney Opera House, Darling Harbour, and the Sydney Harbour Bridge.

Our Melbourne campus is located in the bustling CBD, known for its liveability and striking balance of metropolitan life and green, spacious environments rich in art, tradition, infrastructure, and history.

At Reach Community College, our trainers are passionate, highly qualified industry experts. We take pride in nurturing them with hands-on practical training to develop their full potential through building their skills and knowledge and preparing them for their chosen industry.

### **ONLINE STUDY**

At the commencement of each course, common units may be initially conducted online to provide students time to adapt to their new study program. Please note from 1st July 2023, students will be required to return to campus for face-to-face classes as per the National Code 2018 and the ELICOS Standards 2018. One-third of the units of a course can be delivered online. Please check your timetable

### STUDENT EQUIPMENT REQUIRED

Students MUST have the following IT equipment prior to enrolling with the College and will require a suitable study space for selfstudy, assessment activities, or participation in online classes.

### HARDWARE REQUIREMENTS:

- Desktop or laptop with the following recommended System Requirements:
- Windows 7 (2009) or higher Apple Macintosh OS X version 10.6 (Snow Leopard) or higher
- A webcam, e.g., built-in to a laptop or a USB webcam.
- Audio input and output suitable for video conferencing or online classes.
- A headset or earbuds with a microphone is recommended. Speakers and a microphone can be acceptable but need to be tested to check they do not introduce echo into a video conference or online classes
- Photo/scan a camera, e.g., on a mobile phone, can be required to scan and submit handwritten materials.

### SOFTWARE REQUIREMENTS:

- A web browser such as Internet Explorer, Firefox, Google Chrome, or Safari (Please note that Apple users will be required to install Google Chrome in order to use Microsoft Teams) that will allow students to:
  - Stream videos from YouTube-style sites (a student must be aware of their internet usage limits and costs);
  - Run word processing software such as Microsoft Teams, Word and PowerPoint;
  - Participate in virtual classrooms or online live streaming webinars (e.g., Microsoft Teams or Zoom) for classes delivered online or via live-streaming webinar.
- The College will provide students with access to Microsoft Office 365 software (i.e., Microsoft Teams, Word, Excel, and PowerPoint), however:
  - Students may require administration rights to their computer in order to install additional software.
  - Students are strongly advised to install a suitable anti-virus program to protect their work.

### INTERNET REQUIREMENTS:

- A reliable, high-speed broadband internet connection with sufficient upload and download capacity. A Wi-Fi or mobile connection can be acceptable if it is adequately stable to perform well in a video conference or online classes.
- Students will have access to the College's wireless connection whilst on campus.
- Community internet and computer access:
  - In Australia, public libraries offer free access to computers and the internet, although students may require a membership card or be required to pay a small charge. Students may need to book ahead if they wish to use library services. Students will also have access to printing and photocopying services on a pay per page basis. Most libraries also provide wireless hotspots and recharging stations at no cost for students using their own devices.

#### OTHER INFORMATION:

The College encourages students to acquire the following skills and knowledge related to operating and maintaining an efficient online study environment. Students must:

- 1. Know how to install, use, and keep their computer's internet browser and other software up to date (e.g. installing security updates);
- Be proficient in connecting their laptop and/or mobile device to wireless networks either at the College's campus, your local library, or other locations;
- 3. Have the ability to use a web camera and headset/microphone;
- 4. Know how to use cloud storage (e.g. through Office 365 OneDrive); and
- 5. Have the ability to use Microsoft Word and other related software packages.
