COURSES AND FEES 2023

NATIONAL POLYTECHNIC OF AUSTRALIA

National Polytechnic of Australia (NPA) is an industry-focused Australian college delivering Nationally Recognised education and practical training. NPA offers a wide range of courses in Early Childhood, Hospitality, Automotive, Business, Graduate Studies, and Information Technology.

Our campus is located in Sydney, where opportunities are born and grown. Sydney is a beautiful city with stunning landscapes, diverse cultures, and ample opportunity for all. Our campus is in the central business district where students will get fast and convenient access to various locations and iconic landmarks across the city.

NPA's trainers, curriculum, and facilities are all built around delivering the best vocational education to give students the knowledge and skills they need for their future careers. We take great pride in creating a learning environment that facilitates growth and success.

With NPA, students can discover new opportunities and their potential for greatness.

Nationally Recognised Training

At NPA, we are proudly registered with the Australian Skills Quality Authority (ASQA). We deliver nationally recognised Australian qualifications that are accredited with ASQA and governed under the Vocational Education and Training (VET) Quality Framework. This guarantees that the qualifications you earn from us are widely recognised by industry organisations and other education providers throughout Australia and worldwide.

STUDENT EQUIPMENT REQUIRED
Students MUST have the following IT equipment prior to enrolling with the College and will require a suitable study space for self-study, assessment activities, or participation in online classes.

HARDWARE REQUIREMENTS:

1.   Desktop or laptop with the following recommended System Requirements:
      i.   Windows 7 (2009) or higher
      ii. Apple Macintosh OS X version 10.6 (Snow Leopard) or higher
2.   A webcam, e.g., built-in to a laptop or a USB webcam.
3.   Audio input and output suitable for video conferencing or online classes.
4.   A headset or earbuds with a microphone is recommended. Speakers and a microphone can be acceptable but need to be tested to check they do not introduce echo into a video conference or online classes.
5.   Photo/scan - a camera, e.g., on a mobile phone, can be required to scan and submit handwritten materials.

SOFTWARE REQUIREMENTS:

1.   A web browser such as Internet Explorer, Firefox, Google Chrome, or Safari (Please note that Apple users will be required to install Google Chrome in order to use Microsoft Teams) that will allow students to:

      i.   Stream videos from YouTube-style sites (a student must be aware of their internet usage limits and costs);
      ii. Run word processing software such as Microsoft Teams, Word and PowerPoint;
      iii. Participate in virtual classrooms or online live streaming webinars (e.g., Microsoft Teams or Zoom) for classes delivered online or via live-streaming webinar.

2.   The College will provide students with access to Microsoft Office 365 software (i.e., Microsoft Teams, Word, Excel, and PowerPoint), however:

      i.   Students may require administration rights to their computer in order to install additional software.
      ii. Students are strongly advised to install a suitable anti-virus program to protect their work.

INTERNET REQUIREMENTS:

1.   A reliable, high-speed broadband internet connection with sufficient upload and download capacity. A Wi-Fi or mobile connection can be acceptable if it is adequately stable to perform well in a video conference or online classes.
2.   Students will have access to the College's wireless connection whilst on campus.
3.   Community internet and computer access:
      i.   In Australia, public libraries offer free access to computers and the internet, although students may require a membership card or be required to pay a small charge. Students may need to book ahead if they wish to use library services. Students will also have access to printing and photocopying services on a pay per page basis. Most libraries also provide wireless hotspots and recharging stations at no cost for students using their own devices.

OTHER INFORMATION:
The College encourages students to acquire the following skills and knowledge related to operating and maintaining an efficient online study environment. Students must:

1.   Know how to install, use, and keep their computer's internet browser and other software up to date (e.g. installing security updates);
2.   Be proficient in connecting their laptop and/or mobile device to wireless networks either at the College's campus, your local library, or other locations;
3.   Have the ability to use a web camera and headset/microphone;
4.   Know how to use cloud storage (e.g. through Office 365 OneDrive); and
5.   Have the ability to use Microsoft Word and other related software packages.
